## CIVIC AND CHARITIES' LUNCHEON – PEWTERERS' HALL

### TUESDAY 4<sup>TH</sup> JUNE 2019

The Civic and Charities' Luncheon is where we focus on some of the Charities that we support on a regular basis. Our guest speaker, representing the Civic City will be Sheriff The Hon. Liz Green, one of the two Sheriffs of the City of London; Liz is interested in the Business City as well as the Civic City. As is customary in the City we are encouraging members to wear Morning Dress.

On this occasion we shall be dining in the splendid surroundings of Pewterers' Hall, which is one of my favourites – whilst smaller than some it is perfectly formed and boasts beautiful 17th century panelling, Georgian chandeliers and fascinating artefacts of pewter throughout. Following on my theme of “food miles” and sustainability I shall be catching our lunch – this time from the streams of Somerset and the mix of trout may well (depending on fishing luck) include Somerset Blue, Tiger, Sparctic, Golden or even Sandy. Will we be able to tell the difference from good old Rainbow trout? You will also be pleased to know that one last raid, before the possible imposition of extra duty, has been made on the vintners in France to provide some rather charming wines from smaller appellations to complement our food.

As the focus of the event is towards charity, we shall be presenting cheques to the various organisations and causes we support.
