THANKSGIVING SERVICE & INSTALLATION DINNER

FRIDAY 21ST SEPTEMBER 2018

Following the installation of the new Master and Wardens the Company's New Year will start with a Service of Thanksgiving, which this year will be held in St Margaret Lothbury, an English baroque church designed by Sir Christopher Wren, immediately behind the Bank of England.

The Master Elect, Marcus Fincham and the Wardens look forward to welcoming all Freemen, Liverymen, their families, friends and guests on this special occasion to the Installation Dinner at the Mansion House afterwards.

The Mansion House is the historic heart of the City and the home of the Lord Mayor and it will be a great pleasure to share this fine venue and the ceremony and tradition of a City dinner together; with the musical interlude of the Post Horn Galop and the Loving Cup Ceremony being two particular highlights.

The Installation Ceremony precedes the Service of Thanksgiving and will be held at Mansion House.
